

The Mountain Advocate.

NEW SERIES, VOLUME II, No. 49

BARBOURVILLE, KY., FRIDAY, OCTOBER 7, 1921

ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

FORMER PROFESSOR NOW AN AUTHOR

Prof. Lewis H. Chrisman who was professor of English in Union College from 1908 until 1910, has recently published a book entitled, "John Ruskin, Preacher." He shows in the book that while Ruskin never was an ordained minister, yet he was a preacher in that he was an interpreter of the things of God. Prof. Chrisman is now professor of English in West Virginia Wesleyan University. Those that remember him will be glad to know of his success in his chosen work.

CIVIC LEAGUE MEETS

The Civic League met in regular session Thursday, September 29th, at the home of Mrs. Elbert Evans, on Allison Avenue with a large attendance. Miss Nan Faulkner became a member. During the business session the Cemetery Committee made a full report of what has been done at the City Cemetery, what should be done and what it is hoped can be done in the near future.

All who have given the subject any serious thought know that the first thing to be done is to get a road built that will be passable in wet weather. Because it is possible to carry a casket up the railroad to the cemetery is no reason why this should have to be one most of the time during the winter season. And a scarcely less important need is a small chapel where people may go for protection from the elements and where services can be held in inclement weather. These two needs are felt during the bad weather and in the dry summer time the necessity of a water supply is felt to maintain the grounds in any condition of beauty. If the city water were piped there it would serve both for drinking water and sprinkling purposes. The League hopes to see these things accomplished feeling as they do that the present funds cannot be turned to better use.

Dr. G. H. Albright, our County Health Officer, gave an address on what the needs of the county are and how best to meet them. The one point that needs to be stressed is that all the power is in the hands of the people to see that the very practical laws are enforced. We have the laws, they are not enforced, the Health Officer can only point out the need but the people and that powerful weapon, public sentiment, can see that these laws are enforced. Dr. Albright's talks before the League are always greatly appreciated.

The hostess served delicious ice, cake and candies.

The next meeting will be at the home of Mrs. H. H. Owens and the Music Department will present a pleasing and instructive program.

Hear Governor Morrow at the School Fair Saturday and be informed on the Amendments.

Grecian Girl Provides the Home.
In some parts of Greece no girl can ever hope to find a husband until she has a home of her own. Hence, providing his daughters with homes is an obvious duty which falls to the lot of every father.

UNION COLLEGE NOTES

Misses Clyde Nelson and Eunice Lumpkins spent the week-end with their parents at Grays.

Jess Faulkner has returned from a visit to Lawrenceburg and Lexington. He brought with him a number of subscriptions to the Orange and Black.

We are all glad to welcome Marjory Brown back to the College Department. She is a member of the Senior Class.

Miss Sevier, the swimming director, is now meeting her classes and pretty soon she will have all the girls anxious for a swim.

Cherley Franklin visited U. C. Tuesday on his way to Harlan where he will be married Thursday to Victoria Creech. Both are former students of the college. Everyone wishes the happy young couple success and happiness thru their entire lives.

The reception given last Friday evening in honor of Union College students by the Epworth League, proved to be a delightful one. A large number of people were present. Candy and ice cream were served and we feel safe in saying that no one went away without having spent a very enjoyable evening.

The College and High School basketball teams are organized and are hard at work. These teams frequently play at the Saturday night Gym Games. Tuesday evening the faculty men played the High School team a practice game. Faculty lineup: Dr. Franklin and Prof. Baeroff forward; Coach Trosper center; Prof. S. P. Franklin and Chuck Franklin guards. It was a good game.

Calvin Gray, of Grays, spent the week-end with his parents.

Miss Cramer, a teacher of the Pineville City High School, was the pleasant visitor of the Ryder family during the week-end.

The Junior Academy Class organized Saturday and the following officers were elected: Etta Howard, President; Opal Gray, Vice-President; Allene Kaufman, Secretary; Helen Sampson, Treasurer.

The Junior Class is very much delighted with the way every one is responding to the call—Subscribe for the Orange and Black.

WILLIAMS-PARKER

The marriage of Mr. W. F. Parker and Miss Mary Williams was consummated in the Seelbach Hotel Parlor Saturday afternoon, October 1st.

The bride is a Williamsburg girl, formerly a school teacher but later a valued employee of the L. & N. Railroad at Corbin.

The groom was representative for Knox and Whitley counties during the term of 1912, and was formerly a teacher by profession. Later he became a merchant and is now representing J. Zimmerman & Sons, of Louisville, Ky.

The happy young couple will reside in Barbourville at their home at 170 Black Street and will be at home after October 20th.

Their many friends will unite with the Advocate in wishing Mr. and Mrs. Parker every joy and blessing that may be good for them.

THE NEW KENTUCKY HOME OR WHAT'S THE MATTER WITH KENTUCKY

This was the title of a lecture given in the Court House here last Monday night by Prof. R. N. Baldwin, who taught the Smoky School last year. This lecture was a severe treatment of Kentucky politics, Kentucky administration of justice and Kentucky religion. Nothing like it has ever been given before that we are aware of.

While the strong array of facts brought by Prof. Baldwin to indict the Old Kentucky Home are known and read of all men, the phraseology of the lecture was peculiarly Baldwinque.

He is a forceful speaker, full of earnestness and eloquence. He is in a class by himself as an orator. He imitates no one, and singularly enough no one can imitate him.

The Court House Auditorium was filled to overflowing with people eager to hear this gift of Kentucky tell "What's the Matter with Kentucky?"

If the audience believed all the speaker said it must have believed that Kentucky is mighty sick at the present time and needs a remedy forthwith or a little sooner.

He said that Kentucky had practically no roads and that roads are the foundation of civilization; that without a foundation it is impossible to build an enduring structure.

He said that Kentucky's school system places her forty-second from the top in the matter of education, and because of this low educational status we are a very ignorant people.

He said that ignorance was the parent of three bantlings more repulsive than itself. These three daughters of Ignorance are called Poverty, Crime and Disease.

He said we were poor because of roads—or rather because of our impassable mud holes that we call our roads—and because of our ignorance. To illustrate, he said that Lenoir, N. C., with about the same population had 700 automobiles last May; because the people there had the money to pay for them and had the roads upon which to run them. A great deal of the money possessed by Lenoir people came to them from the tourists who spent more than a million dollars there each year.

He said that more than 10,000 of Kentucky's citizens die each year from preventable diseases, 8,869 of those dying in the state last year being victims of tuberculosis, or 19 in every 1,000 in North Carolina have it and only 7 in every 1,000 in Washington State have it. 4,427 died of it in North Carolina last year. He asked: "Is Kentucky sick?"

He said the report of the American Bar Association showed that in 1919 there were 9 murders per 1,000,000 inhabitants in England, Canada for the same year showed 13 murders per million. Chicago showed 110 murders for 1,000,000 while dear old crime ridden Kentucky showed 115 murders per million inhabitants. He asked again: "Is Kentucky sick?"

Yes, Kentucky is sick, mentally, physically, morally, spiritually and financially. Yet the Kentuckians have the best blood and the best brains of any people on the face of the earth.

"What's the remedy for Kentucky's ills? Here it is. There are five steps necessary to make Kentucky a new state. These steps are: 1. Get a vision of what Kentucky ought to be. With all Kentucky's resources, including good blood and brains, Kentucky ought to stand ahead of every state in the Union. Why not?

2. Teamwork to bring the vision of the New Kentucky Home into the realm of reality; teacher and banker and every citizen to unite into an army of progress to boost Kentucky. Throw away your hammer and get a horn.

3. Prayer is the most efficacious power in all this world. If Kentuckians had a great deal more religion we would have much more ability to solve our problems. Prayer and united effort will always win anything that ought to be won.

4. Pay for what you want. If you want Kentucky to become the best state in America you must pay the price. You can't buy a diamond for a nickel any more. Raise road taxes and school taxes till you get roads and schools. Pay your preachers enough to enable them to preach. At present we have 'poor pay and poor preach' as the nigger preacher

once said. "5. Then Kentucky must be advertised better than it has ever been advertised before. Every man and every woman in North Carolina is an advertiser and the result is that every town has from one to a dozen factories, and tourists spend in that state each year more than one hundred tons of silver money.

"A vision, teamwork, prayer, paying and advertising will remove the stigma of bad roads, the menace of ignorance, the inconvenience of poverty, the danger of crime, the horror of preventable disease and the dread of fearful feuds.

"Who am I knocking in this talk? I am knocking the pessimist. I am knocking the mossback. I am knocking the knocker. I want you to help me take the knocker's hammer away from him and to give to him a horn. Then if he refuses to blow for Kentucky's glory, let's knock him in the head with his own hammer."

A SUCCESSFUL SALESMAN

M. G. Hignito, who has represented Haynes Henson Shoe Co. of Knoxville, Tenn. for ten years and has sent them more than one million dollars during this time, has just returned from St. Louis, Mo. with his new line of shoes for the Peters Branch of the International Shoe Co. which line he will now represent.

It will be remembered that the International Shoe Co. is the biggest shoe concern in the world with a capital stock of two hundred million dollars. Their shipments in shoes during 1920 were seventy-five million dollars. Our townsman Hignito now has the biggest shoe job in the world.

INFORMATION FROM THE AMBASSADOR

ATLANTIC CITY, N. J., Sept. 26. Charles F. Heidrick, of Barbourville, is stopping at The Ambassador for several days.

LADIES AID SOCIETY

At the home of Mrs. James D. Black the Methodist Ladies Aid met on Friday afternoon, September 30, with twenty-four members present. After the opening exercises an hour was given to business. This being the last meeting of the conference year, all committees gave favorable and interesting reports showing a most successful year's work. From the Secretary's and Treasurer's reports it was shown there are now fifty-seven members enrolled (fourteen having joined this year); more than two hundred and eighty dollars were spent by the society.

After the election of officers Rev. John Owen Gross gave a splendid and helpful talk. The next meeting will be held October 7th at the home of Mrs. W. R. Hughes with Mrs. Hughes and Mrs. Kaufman as hostesses.

After adjournment food refreshments, cakes and candy were served by Miss Gertrude Black and Mrs. H. H. Owens.

The following for the new year were elected: President, Mrs. W. S. Edwards, 1st Vice-pres. Mrs. Edward Faulkner, 2nd Vice-pres. Mrs. John G. Tye, Rec. Sec. Mrs. John Stanfill, Cor. Sec. Mrs. W. R. Hughes, Treas. Mrs. Hugh Miller, Auditor, Miss Nancy Faulkner.

On last Thursday Uncle Nath Parker, one of our best citizens, a farmer near Grays, reported to Squire Grace that he had found a moonshiner still on his farm. Squire Grace at once summoned J. J. Young and in a short time they had the still in their possession but the shiners got away. Squire Grace is making a determined effort to put down crime and to enforce the law which accounts for the good citizens of Grays standing by him.

A show with about fifteen wagons of exhibits and paraphernalia passed thru here Thursday noon. They had the misfortune to let some of their animals escape. Jess Turner and Nels Gänhrel each caught a cub lion within the city corporation. Mr. Fee captured a monkey between Baileys and Emanuel and other monkeys are still at large. We hope they will all be returned to the owners before cold weather or taken care of by some one.

The Civic League will meet with Mrs. H. H. Owens on Thursday of next week.

GOV. ED MORROW FISHING ON REDBIRD

Gov. Ed Morrow came in Wednesday and, putting aside the cares of State, took his fishing pole up Red Bird, Clay County, to try his luck. On Saturday he will address the boys and girls who are attending the School Fair.

LOGAN HOSPITAL

Clarence Banks, who has been ill for weeks with typhoid, is able to be up and is taking life easy. He will be out in a few days. Don't expect to see a gaunt person, however, as he baint.

Miss Sallie Messer has returned home following an operation for appendicitis.

Julian Farmer, from the Construction Camp, Emanuel, has gone home to Decatur, Ga., following several days in the hospital.

SPECIAL PRESBYTERIAN SERVICES TO BE HELD

Following the usual Presbyterian services on Sunday, Miss Wilson, of Manchester, who did so much for the forces of law and order in the recent election, will begin Monday night, October 17th, a series of special services. Miss Wilson is a speaker of power and will, it is felt, prove a blessing to the people of Barbourville. All citizens are cordially invited to come out and hear her.

PARENT TEACHER ASSOCIATION

There will be a meeting of the Parent-Teacher Association at the High School Wednesday, October 12 to which all patrons interested in the schools are invited. Prof. Caywood will lay plans before the organization for a profitable year's work.

BAPTIST CHURCH

The pastor is preparing some special sermons for both hours next Sunday. Morning service, inspirational. Evening service, Evangelistic. Morning hour 10:45, evening hour 7. S. S. 8:45 A. M. A new class has been formed to take care of the increasing attendance of young men, and graded literature for the primary department.

B. Y. P. U. 6:15 P. M. Every one is invited to attend this enthusiastic body in training for service.

TWO TICKETS FOR CITY COUNCIL

The following are the two tickets that are in the field for the City Council to be voted on in November: J. B. Campbell, Mayor; Council, Joe Hopper, Jim Miles, Jim Fletcher, Jim Archer, Edie Mitchell, G. W. Newman.

T. D. Tinsley, Mayor; Council, Andrew Becker, Jr., Jeff Moore, W. H. Main, Lang Holt, A. J. Fisher, W. W. Evans.

Keep Up Fighting Spirit.
Be patient with every one, but above all with yourself. I mean, don't be disturbed because of your imperfections, and always rise up bravely from a fall. Prospects of Sales

METHODIST REVIVAL

The revival meeting under the leadership of Dr. George Birney of Cleveland, Ohio, continues with increased interest. Dr. Birney is a splendid speaker and brings from a wide experience helpful sermons. The meetings will be every night except Saturday.

DEATHS

The little child of Godfrey Jackson, of Cannon, died Monday from meningitis.

A child of Mr. Poff died Monday morning at the family home on Big Richland. Scarlet fever was the cause of death.

Gladya, the five hour old child of Arthur Payne of Trace Branch, died Tuesday at 5 p. m.

Mr. Walters, of Indian Creek, died Friday as the result of a stroke of paralysis.

The year old son of Wiley Paul died Monday of diphtheria.

The 1 year old son of A. Ingram died this week.

NOTICE

Due to the fact that we have installed a new press this week, supplemented by the fact that Ben H. Gregory was taken for registration duty on Tuesday, the Advocate is behind with its work this week and we shall have to ask our friends to put up with a smaller amount of news than usual. The ox is in the ditch.

IMMUNIZING AGAINST DIPHTHERIA

Louisville, Ky., Oct. 1.—When Schick test for diphtheria is given the 2,200 school children of Owensboro during the first ten days of this month it will be the first time that an effort has ever been made in Kentucky to immunize against diphtheria all the school children of a city, according to Dr. A. T. McCormack, State Health Officer.

A concerted drive has been planned to carry this programme out. Immediately after receipt of word from Dr. G. W. Duvall, Daviess County Health Officer, that diphtheria had broken out in the county and in Owensboro, the State Board began its preparations for the wholesale Schicks. Arrangements were made to have the necessary materials sent to Owensboro, and Miss Cora Wallace, former assistant director of the Louisville Public Health Nursing Association, and Miss Edna Reinstedler, recently connected with the School of Public Health, left yesterday for that city to aid Dr. Duvall and his two public health nurses in making the Schick test and giving the immunity serum where necessary.

NEW GARAGE TO BE BUILT

W. H. Green announces he will build a garage 150 feet long by 75 feet wide which will be a reinforced steel building of the latest type and with every modern equipment to handle business.

Mr. Green says the building will be one of the finest garages in this section. It will be completed early in the spring.

You Judge A Bank

by what it can do for you—by its provisions for the safe-guarding of your funds, and by the scope and quality of the service it is in position to render you. The FIRST NATIONAL BANK invites judgment on these grounds.

Ample capital and surplus, experience and conservative management, and MEMBERSHIP in the FEDERAL RESERVE SYSTEM, which not only broadens its facilities but also provides additional assurance of safety, make this an ideal banking home.

ALL WORN OUT

Does morning find you with a
lame, stiff and aching back? Are
you tired all the time—find work a
burden? Have you suspected your
kidneys? Barbourville people en-
dorse Doan's Kidney Pills. Ask your
neighbor! You can rely on their
statement.

Mrs. Martha Dozier, Allison Ave.
Barbourville, says: "I take Doan's
Kidney Pills whenever I get attacks
of backache or kidney complaint. I
have a nagging pain in the small of
my back and my kidneys act irregu-
larly. The aches and pains all thru
me worry me so I don't get any rest.
Mornings I feel tired and languid.
I have nervous spells and dizziness
when everything turns black before
my eyes. Sometimes I am so lame
I can't straighten up after stooping.
Doan's Kidney Pills from the Heron-
don Drug Co. never fail to regulate
my kidneys and make me feel better
in every way."

early as possible. November 1st is
the closing date.

BERT CATRON,
Tax Collector.

Making Extraordinary Mileage a Certainty

Car Owners want more rubber on the tread where the wear is
hardest; more gum between cord plies to perfect a resilient and
powerful carcass. And they want a scientifically constructed Non
Skid tread with all angles and contacts to resist skidding and give
sure traction. Firestone Cord Tires have met these demands of
the car owners.

Read Letters Below—

Records from 29,000 to 57,000 Miles

Cord Tires built the Firestone
way could not fail to produce
mileage. Every day, from all over
the country, comes the word that
10,000, 20,000 or 30,000 miles are
frequent and consistent records.

Now and then they are empha-
sized by unusual instances such
as quoted below. Performances
like these demonstrate the ulti-
mate possibilities of Firestone
Cords under careful driving.

Firestone Tire & Rubber Co.,
Jacksonville Branch,
Jacksonville, Florida.

Gentlemen:—
I submit herewith the history of a 1914 Fire-
stone Cord tire. This tire has run 37,000 miles.
I have retreaded it three times. The average
mileage to each retread-
ing was about 7,000. I
think you will agree this
is a remarkable record.
It is especially unusual
as I know the owner to
be a severe driver. How-
ever, he gives his tire
proper inflation. The tire
in question is not yet
out of service and has
every indication of being
sufficiently strong for an-
other retread. I am
mailing photographs un-
der separate cover.
C. U. Fawcett,
Plant City, Fla.

The Harvey E. Mack Co.,
Thirteenth & Harmon Place,
Minneapolis.

Gentlemen:—
It occurs to me that you might be interested
in the mileage that I obtained from the set of
Firestone Cord tires on my Dodge coupe. The
first tire went over 29,
000 miles. The second
tire rolled up a mileage
of between 34,000 and
35,000. These were both
rear tires and had been
cut considerably by
chains. The two front
tires have gone better
than 34,000 miles and are
still in good condition. I
expect to get at least
40,000 miles from each of
them. I need scarcely
say that the Firestone
Cord will be my tire
choice for the future.
Archibald H. Beard,
323 LaSalle Bldg.,
Minneapolis.

Personal Mention

Rev. R. L. Creal was in town be-
tween trains last Friday.

The J. L. Payne family moved to
Troyer this week.

Joe Hender, of Corbin, was in
town Monday and Tuesday.

A baby boy was born to Mr. and
Mrs. F. M. Maxey last Monday.

Charlie Terrell, of Swan Lake,
was here Wednesday.

Don't overlook the School Fair
Friday and Saturday of this week.

The School Fair is on today and
tomorrow.

G. L. Dickinson was in Cincinnati
Saturday to Wednesday on business.

Miss Hazel Oliver of B. B. I. spent
the week-end at Knoxville.

Paul Hain, of Warren, Ohio, is vis-
iting relatives here this week.

Mayor T. D. Tinsley spent Wed-
nesday in Williamsburg on business.

J. Will Davis is "foddering" at
Rockhold this week.

Born to Mr. and Mrs. Bill John-
son, a girl, Sunday night.

Mr. and Mrs. Godfrey Parrott are
now domiciled in the Faulkner Flats

Mrs. John M. Tinsley is back from
a ten days visit to Mrs. Chas. Cole
in Harlan.

Mr. and Mrs. Bert Churchill are
now domiciled over the L. C. Miller
store.

C. A. Riley, of Majestic, have re-
turned home after a visit to C. A.
Riley.

Miss Cara Geyer is back from
Louisville and Clinton, Ky., where
she visited friends.

E. E. Sawyers took in the Knox-
ville Fair and says it was a treat to
see the fine stock shown.

Mrs. W. W. Tinsley is visiting her
daughter, Mrs. Maud Dysard at Ash-
land.

Miss Sybil Harris has returned
from a visit to Mr. and Mrs. Oliver
Harris at Corbin.

CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three
Years, Suffering Pain, Nervous
and Depressed—Read Her
Own Story of Recovery.

Pain Rock, Ala.—Mrs. C. M. Stegall,
of near here, recently related the fol-
lowing interesting account of her re-
covery: "I was in a weakened con-
dition. I was sick three years in bed,
suffering a great deal of pain, weak,
nervous, depressed. I was so weak,
I couldn't walk across the floor; just
had to lay and my little ones do the
work. I was almost dead. I tried
everything I heard of, and a number of
doctors. Still I didn't get any relief.
I couldn't eat, and slept poorly. I
believe if I hadn't heard of and taken
Cardui I would have died. I bought
six bottles, after a neighbor told me
what it did for her.

"I began to eat and sleep, began to
gain my strength and am now well
and strong. I haven't had any trouble
since. . . I sure can testify to the
good that Cardui did me. I don't
think there is a better tonic made
and I believe it saved my life."

For over 40 years, thousands of wo-
men have used Cardui successfully,
in the treatment of many womanly
ailments.

If you suffer as these women did,
take Cardui. It may help you, too.

Advocate.

Many Human Ills Are Due To Impurities in the Blood

Pure, Rich, Red Blood Nourishes the Body and Fights Off Disease.

Waste Products or Impurities Cause Many Forms of Rheumatism, Skin Disorders and a Lowered Vitality.

How S. S. S. Clears the Blood of Waste Products.

Your system is continually taking in nutrition and throwing off waste products. This process goes on all during life. But, sometimes the organs do not properly function and these waste products, instead of passing out through the pores of the skin, through the kidneys and through the alimentary canal, are absorbed in the blood. Then the blood becomes poisoned, and cannot properly nourish the system.

Ill health sets in. You may lose your strength and vitality; or you may have rheumatic pains in the muscles and joints; or you may be troubled with bad boils, sores or some other skin eruptions. All because of the poisonous waste products in the blood. Nature now needs help. She has done her best but is failing. A

blood purifier should be used at once to assist nature to throw off these waste products.

S. S. S., the standard blood purifier and system builder, is the ideal remedy in these cases. The effect of S. S. S. is to rid the system of the poisons which are causing the trouble. For over 50 years, S. S. S. has proven to be of unusual merit.

Get S. S. S. at your druggist. Use it strictly according to directions and write Chief Medical Director, Swift Specific Co., 721 S. S. S. Laboratory, Atlanta, Ga., and let him help you regain your health and strength. He is helping people every day. Ask him to send you his illustrated booklet, "Facts About the Blood"—free. S. S. S. is sold by all drug stores.

COMMISSIONER'S SALE

By order of the Knox Circuit Court rendered at its August Term, 1921, in the case of

Daniel Walker, etc., Plaintiff, against James R. Walker and Amanda Walker, Defendants.

I will, as Master Commissioner, on the 24th day of October, 1921, same being the first day of Knox County Court, sell at the Court House door in Barbourville, Kentucky, to the highest and best bidder the following described property, real estate, to satisfy the judgment in said case, and \$65.00 probable cost.

Description: Beginning at a cliff near the creek corner of Green Carnes; thence in southwardly direction to a maple in said Carnes line; thence with said Carnes line to the top of the mountain; thence with the top of the mountain a northwest direction to the Hampton line, 400 acres at a high pinnacle; thence with the Hampton line to a mulberry stump in said line at the creek; thence up the creek to a point opposite the Beginning, containing 75 acres more or less.

Said property to be sold on a credit of six months, the purchaser to execute bond with approved security, bearing interest at six per cent from date, having the force and effect of a judgment and retaining a lien on said property until the purchase money is paid.

WITNESS my hand, this the 4th day of October, 1921.

J. R. JONES, Master Commissioner. Knox Circuit Court. Sale about 1 p. m. Purchaser must execute bond as soon as sale is over, or the property will be immediately put up and re-sold.

Beauty and Truth.

It is only through the morning gate of the beautiful that you can penetrate into the realm of knowledge. That which we feel here is beauty we shall one day know as truth.—Schiller.

Federal Prisons.

Federal civil prisons are located at Fort Leavenworth, Kan., Atlanta, Ga. and McNeil Island, Wash.

One Proper Pride.

Pride is one of the seven deadly sins; but it cannot be this pride in another in her children, for this is a compound of the cardinal virtues—faith and hope.—Charles Dickens.

A MILLION DOLLAR BABY

Naturally, those who see this heading expect to read about some "baby heir" of an American multi-millionaire, and they will be surprised to learn that such a description applies to a scientific pyorrhea preventive, tooth and mouth preparation, and they will doubtless wonder how such a product ever came to be spoken of as a "million dollar baby." So the story must be told. Over three years ago, the Research Department of the Rexall Company, in consultation with chemical specialists, began an exhaustive investigation into the disease pyorrhea, and its proper treatment, and in their characteristic thorough way spent over two years before they perfected a compound which answered every test, according to their high standards. Such a remarkable demand has been created that they have named it "the Million Dollar Baby." Probably no preparation that is devised for use as a germ combatter was found so efficacious in preventing all contagious diseases that enter the system through the mouth and nose as Kleono Liquid Antiseptic. Especially was it proved that users of it completely escaped all attacks of the flu when so prevalent last year. This Rexall product can be purchased in 25c. and 50c. special toilet bottles at

Barbourville, Ky.

Marine Glue.

Marine glue is prepared by dissolving one part of India rubber in crude benzine and mixing with two parts of shellac, by the aid of heat. The waterproof character of this cement in connection with its elastic flexibility makes it a useful substance in many applications to house construction and to furniture. This glue is applied with ease when warm, and cures with promptness. It was originally intended to be used chiefly on board ship and is well known in Europe.

Help for Ironing Day.

Do not discard old mists and capots. Cover the mats with the best part of the carpet, and make into a pad to stand on while ironing. This will be found very restful to the feet. One of these pads placed at the bottom of the collar steps, on which to wipe the shoes, will help to keep the steps clean and thus save much labor.

Patented in Europe. Manufactured by the Rexall Company, Barbourville, Ky.

COMMISSIONER'S SALE

By order of the Knox Circuit Court rendered at its August term, 1921 in the case of

Millard Peace, Guardian of Lona Foley, Plaintiff,

against Lona Foley and A. B. Partin, Defendant.

I will, as Master Commissioner, on the 24th day of October, 1921, same being the first day of the Knox County Court, sell at the Court House door in Barbourville, Kentucky, to the highest and best bidder the following described property, real estate, to satisfy the judgment in said case.

Description:

FIRST TRACT

Beginning at a stone in Norville line a corner of the dower; thence with the Norville line S 55 1/2 W 50 poles to a stone; thence with the line of lot No. 5 S 37 E 42 poles to a stone corner of Lot No. 4 and 5 course continued in all 76 poles to a sweet gum at the fence; thence S 51 E 27 poles to a stake at County road; thence with the road N 22 E 5 poles; thence N 1 E 5 poles N 33 E 7 poles to a maple and black gum corner of Lot No. 3; thence with the road and Lot No. 3 N 41 E 13 poles N 10 E 20 poles N 20 to a red oak on the east side of the road corner of dower; thence reversing said dower N 75 1/2 W 17 poles to the beginning; containing by survey 27 1/2 acres. And being the same property conveyed to her by . . . day of . . . 19 . . . which is recorded in the Knox County Court Clerk's office in deed book . . . at page . . .

SECOND TRACT

Beginning at a corner oak standing by the side of the County road; thence S 83 E 22 poles to a sycamore in edge of a swamp; thence S 51 1/2 E 31 poles to a stone in the intersection of a fence; thence with the fence N 56 E 22 poles to a maple in the outside line; thence with the outside line N 21 1/2 W 46 poles to a stone marked "Two Pines and Two Sweet Gum" as pointers; thence N 84 E 52 poles to a stone and dogwood; thence N 50 poles to a stake on Sturgill's line; thence with same S 58 W 120 poles to a down black oak, small black oak and two sweet gums as pointers; thence with Norville line S 55 1/2 W 24 poles to a stone in said line; thence S 75 1/2 E 47 poles to the beginning containing by survey 35 1/2 acres and being Lots Nos. 1 and 2 in division of land of record in Knox County Court Clerk's office in Commissioner's report book No. 2 page 282.

Said property will be sold on a credit of six months, the purchaser to execute bond with approved security, bearing interest at six per cent from date, having the force and effect of a judgment and retaining a lien on said property until the purchase money is paid.

WITNESS my hand this the 4th day of October, 1921.

J. R. JONES, Master Commissioner. Knox Circuit Court.

Sale about 1 p. m. Purchaser must execute bond as soon as sale is over, or the property will be immediately put up and re-sold.

NOTICE

Notice is hereby given that a petition has been filed in the Knox County Court, whereby an order of said court is sought to close that part of the Scratch Ankle road between the new county road on Scratch Ankle (or Clover) branch and the old Manchester road. Said petition will stand for hearing at the regular October term of the Knox County Court.

This September 26th, 1921.

KING NEWS

Everybody is trying to save fodder and the fall crop of hay "which is unusually good" but owing to the showery weather they are making slow progress and a great deal of both fodder and hay is being badly injured.

Mrs. Easley Prichard is very sick at this writing, but is reported to be slightly improved and it is hoped she will soon recover.

Green Logan has purchased a nice farm on Poplar Creek and will move to it in the near future.

Mr. and Mrs. Ed Miller, of Clats, were visiting relatives on Prichard Branch Saturday and Sunday.

On Tuesday, September 29th, Mr. Orange Prichard and Miss Rose B. Runyons were quietly married at the home of the bride, who is a daughter of Mr. and Mrs. Wm. Runyons, of Bryant's Store. The groom is a son of Mr. and Mrs. W. T. Prichard, of Prichard Branch. Everyone wishes the newly married couple a long, happy and prosperous life.

Miss Lizzie Mays, who is now living at Corbin, Ky., was a visitor at Poplar Creek and Prichard Branch last week.

Saturday, Oct. 1st was Club and Community Fair Day at Logan Gap. It sure was a great day for the boys and girls as well as the older people. The fine exhibits of live stock, poultry, agricultural products, canned

fruits and vegetables, needle work and the nice literary program given by the young people in the afternoon go to show some of the good results of club work and community cooperation. The exhibits in all the different rings were fine. The calves, pigs, poultry, corn, pumpkins, and all the other shows. The greatest number of exhibits was made in the poultry show in which about 80 fine birds were shown, the larger percentage being R. I. Reds.

At noon dinner was spread on the ground in the good old picnic style around which the large crowd gathered and enjoyed themselves to their hearts content by doing ample justice to the contents of the baskets which had been so liberally provided by the good house wives of the surrounding neighborhood. To say that the meeting was a success in every way would be putting the statement in a very mild form. I think the fair we had here last fall, the chautauqua this summer and the fair this fall have seen a great help to our community work in this part of the county. At this fair we had 61 rings with 210 entries and about 112 premiums given. We had an unusually large crowd and all seemed to enjoy the day fine. Next year we hope to have a better fair with more entries and more premiums.

NOTICE

Notice is hereby given that "J. H. Slusher & Company," a corporation organized under the laws of the state of Kentucky, is closing up its business for final dissolution of its affairs.

All persons having claims against said company are hereby notified to present same at the office of the company at Flat Lick, Ky., and all persons owing said company are hereby notified to call at the office of the company and settle same.

This September 15, 1921.

NEWS CULLINGS From Kentucky

Frankfort—Five veterinary students, who were examined by the State Board of Veterinary Examiners were granted licenses to practice in Kentucky. They were Fraser A. Sulph, Lexington; William H. Hilde, Covington; and William B. Wright, Sturgis.

Covington—Victor Kostuski, 10, newsboy, died at a hospital here, as a result of a fractured skull, sustained when he was struck by an automobile belonging to Joseph D. Andrews, president of the Andrews Steel Company, Newport. Andrews appeared in Police Court and was released on bond. Witnesses told the police the accident was unavoidable.

Winchester—If Loya Dajarnette recovers from a gunshot wound in his left breast, his romance may not be so badly shattered. A young woman who is said to have rejected Dajarnette as a suitor is said to be penitent after a visit to his bedside. Dajarnette was found with a bullet hole in his breast. He is said to have been despondent over a love affair.

Frankfort—The Kentucky Geological Survey Economic Exhibit will be added to the museum being established in connection with the historical collection of the Kentucky State Historical Society in the old Capitol. Dr. Willard R. Johnson, Director of the Survey, presented the idea to the Sinking Fund Commission, which promised to finance it, and Gov. Edwin P. Morrow added the suggestion that the exhibit be so arranged as to be available for educational purposes.

Winchester—The examining trial of Jerry Gentry, charged with the murder of Asa Murry, was held before Judge Lee Evans. Gentry was held without bail to await the action of the grand jury of the Clark County Court. The two men were neighbors and had previously had trouble. Gentry claiming Murry had broken up his home. The quarrel was renewed and Gentry fired four pistol shots into the body of Murry, which resulted in his death.

Louisville—Interesting statistics covering federal personal tax returns in Kentucky for the year ending December 31, 1919, made public by Robert H. Lucas, collector of Internal Revenue. They show that while the state is forty-fourth on the list of states and territories in order of magnitude of returns, it is twelfth in the average size of net income. Its position as to per capita income tax was forty-fifth, and as to average amount of tax per return, twenty-eighth. Only one man in all the state listed an income of more than \$500,000. He was in a class by himself and paid a tax of \$103,656.

Frankfort—Because of the helplessness of his wife and family, William Loss was pardoned from the State Reformatory where he had served three months of a year's sentence for malicious shooting. P. Morrow, Loss' wife, according to a statement of his reasons for granting the pardon, is "terribly afflicted" and is unable to make a living for herself and child. The pardon, according to Governor Morrow, was requested by "a number of the best citizens of Mercer County including the sheriff, jailer, county judge, physicians, bankers, etc." In concluding the statement Governor Morrow said: "There has never come to my attention a case which more absolutely demands executive clemency."

Clinton—The stock barn on the farm of T. C. Klupp, living about two and a half miles south of Clinton, was a total loss by fire. The barn was partially filled with new hay and it is thought was struck by lightning. The stock and vehicles were saved, but the hay and a quantity of corn were burned. The loss is partially covered by insurance.

Henderson—Fire destroyed the city stables at Fourth and Elm streets. Five large trucks were burned, and a large quantity of feed with several wagons and sets of harness. Three mules were saved. The origin of the fire is unknown. The stables and trucks were insured. The loss is estimated at \$20,000.

Whitesburg—The reward has been increased to \$500 for the arrest of the persons who shot and killed Lawrence Conley as he walked along the road leading to the schoolhouse in which he was teaching. At first his murderers were thought to have been trucked for several miles, but at length the tracks were lost.

Lexington—A total of 702,322.83 barrels of oil was produced in the seventeen oil producing counties of the state during July, according to the monthly report of E. E. Loomis, secretary of the Kentucky Oil Men's Association, made public here. During June the output was 722,883.13 barrels and during July, 1920, the output was 719,023.13. The falling off in production was most marked in Allen and Wayne counties, the former producing 41,049.65 barrels in July as compared with 52,477.60 in June and the latter 21,335.58 in June.
